

What we have been up to this week in KS2

Year 3 : This week in Year 3 has all been about our class enterprise, creating a business plan and designing products to sell at the Christmas Fair. We have also had a maths workshop, supported by staff from Natwest, learning how to calculate change when buying a product.

Year 4: Year 4 have been solving money problems all week in maths and writing persuasive advertisements in English.

Year 5: This week Year 5 have written a business plan and also designed a persuasive advert. In Maths we have learned all about money: profit and loss; budgets; bank accounts and payslips.

Year 6: In Year 6 this week a large proportion of our children have been working tirelessly rehearsing for their performance at the RNCM on Wednesday evening. The show was an incredible success and all pupils should be proud of their achievement!
