Time for Change!

Dear Parents/Carers,

You may remember before the summer holidays that we asked all of our parents, staff and pupils to fill in our school meal satisfaction survey. The results of this were published on our website in July.

As a result of the survey, we consulted the school Governors who were in agreement that it was time to freshen up the lunchtime environment for all of our service users, but most importantly, the pupils!

Therefore, during the summer holidays, Pike Fold Community Primary School operated a closed tender to 4 suppliers inviting them to 'bid' for our services by showing us everything that they had to offer and why it would be of benefit to our school and our pupils.

We are very happy to inform you that the winning company is Dolce! Dolce is already very well established within the school catering sector. They are an award winning family business with a genuine interest in providing a good, honest and reliable service. The company was born out of a desire to improve upon the offerings of the public sector catering services and it operates within the Children's Food Trust guidelines.

Dolce will be providing us with a pre bookable meal service, with a cashless catering system and this will be going live at Pike Fold on 1st January 2018!!

We have invited Dolce into school during the parental review sessions on Tuesday 21st November and Wednesday 22nd November 2017 from 3.45pm. They will be providing advice and guidance about their services and will be available to answer any questions you may have in relation to their products. They will also be offering samples of desserts to everyone. The desserts on offer will be a part of the main meal option which is available to those children taking a meal option (paid or free) from January 2018.

If you have any questions about this letter please direct them to the school office staff who will endeavour to give you an answer. Any questions which cannot be answered by the Admin Team will be forwarded onto myself for resolution.

Thank you for your ongoing co-operation.
