E-PAYMENTS

To help make it as easy as possible for you to make payments for your school meals we operate a user friendly e-payment system.

Our system allows you to pay for your school meals by credit/debit card or by Direct Debit.

You will require a Live Kitchen account which is quick and easy to set-up. Please complete the tear off slip and return to your school office.

WHAT HAPPENS NEXT...

With an account set-up you can now log-in to Live Kitchen to make quick, safe and secure credit/debit card payments or to set-up a Direct Debit.

In your account settings you can see at a glance what your child or children have eaten, place pre-orders and check your balance.
