

Greenbank Medical Practice.

Good morning,

Due to the publicity around flu in the media at the moment we are trying to mount a response for any children that missed the vaccination in the school sessions.

We are holding a session on Monday 22nd January from 4-6pm at Five Oaks Family Practice, Graham Street, M11 3BB.

If any of your parents have missed the vaccination please advise them to contact 0333 358 3397 so that an appointment can be offered.

Thank you for your cooperation.

Kind regards,

Danea
