

19<sup>th</sup> January 2018

Dear Parents/Carers,

**Will you join us and help keep all children safe online?**

O2 and the NSPCC have joined forces in a mission to help all children and their families in the UK stay safe online. They are currently offering schools the opportunity to host one of their workshops which are completely free to attend and will be delivered by trained NSPCC staff and volunteers.

**Online safety workshops for parents**

They will be hosting a free online safety workshop for parents **at Pike Fold Primary at 2.00pm on Thursday 25<sup>th</sup> January 2018** and would like to invite all parents to join us for this informative event.

The hour-long workshop is a great opportunity to gain skills and knowledge to understand the internet and technology as children do – from online games and cyber bullying, through to setting up privacy settings and controls - and to help you have the right conversations with your children.

We do hope that you will be able to attend. Please sign up for the event by signing up with Mrs McKeever in the mornings at the door or emailing [j.mckeeper@pikefold.manchester.sch.uk](mailto:j.mckeeper@pikefold.manchester.sch.uk).

Yours Sincerely,

JULIE MCKEEVER
