

Dear parents/ carers,

Next Monday 5th February, from 9.15am. Our school nurse will be holding an information session about head lice and healthy lunch boxes, in the dining room.

There will be hand outs available for you to take away on the day, as well as the opportunity to receive a FREE head lice treatment starter kit if required.

Refreshments will be provided.

If you would like any further information about this, please do not hesitate to contact me.

Thank you for your continued support,

Mrs J Gallimore
Family Engagement Officer &
Early Help Lead
