

Friday 19th January

This week the children have had fun learning all about different types houses and homes. We have continued to read a non-fiction book and have been building homes and talking about their different parts and styles. We have loved all the houses you have been making at home with your child! We have had some amazing masterpieces! We are holding an exhibition of all our work next Friday 26th January. A note will be sent out with more details of this. The children have had an exciting time exploring all the new activities around the room and we have been interpreting different types of houses in dance. Please ask your child to share what they are learning at school with you! Reception have continued to enjoy Forest school and we have been having hot vimto to warm us up in the unpredictable weather. Please continue to bring hats and gloves if your child is doing Forest School: please check our website blog to see all the fun we have had.

Nursery have been talking about numbers that match their age and counting out the candles for a birthday cake and matching it to a numeral. Reception have been pretending to be postmen delivering letters counting one more and one less.
