What we have been up to this week in UKS2

**Year 5:** In Maths this week we have been using formal written methods of addition and subtraction to answer a range of multi-step word problems.

In Literacy we have continued to read our class book 'Street Child' and have been writing sentences including modal verbs.

**Year 6:** This week in Maths we have been looking at place value. We have looked at ordering 7 digit numbers and rounding them to the nearest 1000, 100,000 and million.

In Literacy we have been looking at the differences between formal and informal writing and have written a range of letters ensuring we choose appropriate vocabulary to match the purpose and audience.
