What we have been up to this week in UKS2

Year 5: In Maths this week we have been using written methods for division and applying our knowledge into solving problems.

In English this week we have been teachers! We have prepared a presentation and then taught the rest of the class about a chapter we have read.

Year 6: In Maths this week we have been working with statistics. We have been calculating the mean, median and mode.

In English we have been writing our diaries about our first day being stranded on a desert island!

Homework

Year 5 – Maths – MyMaths activities

English – Comprehension book pg 15

Year 6 – Maths – Arithmetic

English – Reading comprehension

Timestables

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website below is just an example of many times tables games that can be found online.

All pupils should also have a MyMaths login that they can use to access a great variety of games. Pupils should ask class teachers if they are unsure of their login.
