Year 5: Well done to everyone this week! We have all been working extremely hard to complete our assessments. We have also been completing our version of 'The Voyage' from Treasure Island.

Year 6: Revision is in full swing in Year 6, preparing for our SATs. We have also completed our diaries about being stranded on a desert Island.

Year 6 – Maths – My Maths

Timestables

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website below is just an example of many times tables games that can be found online.

All pupils should also have a MyMaths login that they can use to access a great variety of games. Pupils should ask class teachers if they are unsure of their login.
