Newsletter
Friday 5th July

What we have been up to this week in UKS2

Year 5: We have had an exciting week in Year 5. We went to the Co-op and both classes had a science lesson. It was fantastic to work in the labs and carry out an experiment!

We have also been working hard to draft our newspaper article about Tim Peake's journey to the ISS. On Friday we typed them up on the laptops so they look like real newspapers.

5F had their wonderful class assembly based on Oliver-it was a huge hit!

Year 6: We are continuing on our German project- we are becoming very good German speakers! We are also in full swing with our rehearsals and are now preparing props and costumes!

REMINDER-there is no High 5 Club next week. Next week is the final week for other clubs.

Today is the last day to make donations towards Summer Fun Day. Thank you to those who have already donated.

Homework

Year 5 Maths – Mathletics activity and Times Tables Rockstars

Spelling Shed.

Year 6 Times Tables Rockstars

Timestables

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website below is just an example of many times tables games that can be found online.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

All pupils should also have a MyMaths login that they can use to access a great variety of games. Pupils should ask class teachers if they are unsure of their login.
