Music Intent at Pike Fold

How do we celebrate Music at Pike Fold

We celebrate music by having a music assembly every half term. All students and parents are invited. Classes have the opportunity to perform what they have been practicing and learning during their music lessons for that term. It also gives the children a fantastic opportunity to perform in front of an audience and shows the importance of practising correctly, so that they can perform to their full potential.

What does Music look like at Pike Fold?

Here at Pike Fold we use Charanga, the award winning modern-day resource for music. It provides us with an engaging and fun scheme to teach the national

curriculum for music. It has an ever-growing library of songs, topics, instrument courses and creative apps.

We have a specialist music teacher who teaches recorder and ukulele to some of our KS2 classes.

What enrichment takes place for children in Music?

The children have the opportunity to attend any of our music after school clubs. We have a school choir that rehearse after school on a Monday. We have a guitar and ukulele club that is also after school on Monday lead by our specialised music teacher. Children are also learning how to write their own songs during this session.
Pike Fold hold their own music day, Travelling Tuba have come to the school to hold performances and workshops with the children.
Our Year 6 children have taken part in the RNCM Opera Project. They composed and presented a new musical production with three other primary schools.

Music in our community

At Christmas, our school choir walks to all the local care homes to sing carols to them.

Every year the choir attends Young Voices, which is held at the Manchester Arena.

KS1 hold their Christmas Carol concert in St Peter's Church.

The Co-op big band and choir regularly come to our school to perform to our pupils.

" I feel happy when I here music!"
Year 1 student

" The KS1 carol concert was fantastic!"
