		People and Communities	• Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class.		
Nursery		• RE is taught through our themes, that lend themselves to opportunities for RE work			
Reception		• Which stories are special and why? • Which people are special and why?	• Which places are special and why? • Which times are special and why?	• Where do we belong? • What is special about our world and why?	

The EYFS framework is structured very differently to the national curriculum as it is organised across seven areas of learning rather than subject areas.

This document demonstrates which statements from the 2020 Development Matters are prerequisite skills for RE within the national curriculum. The table above outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of study for RE.

The most relevant statements for RE are taken from the following areas of learning: ***Personal, Social and Emotional Development & Understanding the World***
