Pike Fold Primary School Strategic Intent 2025 To provide all children with an education that offers equality, acceptance and community education. A place where all children will have the confidence to use their skills, knowledge and expertise to thrive in this ever-changing communication rich world Vision At Pike Fold we strive to provide a safe, caring, inclusive and happy environment where every child can flourish.Where stars sparkle Mission To meet the requirements of the National Curriculum statements and prepare children to be leaders of the future. Creating a love of learning. Goals Accepting themselves and others and continuously explore who they are

becoming.

National curriculum statements are broken down into manageable chunks for children to explore, question and investigate. Personalised according to needs of individuals, creating a sense of achievement that is felt by all.

Teacher's plan for progression. Revisiting prior learning, increasing long term memory. Assessment of knowledge and skills is embedded in all subjects ensuring the children have acquired the knowledge and skills intended set.

Pike Fold Primary school is committed to meeting the requirements of the primary National Curriculum.

Objectives

Plans

Our schemes of work reflect the content and challenge of the curriculum. Teachers are confident in the Intent, implementation and Impact of their subject area and share this throughout school.

The curriculum is taught with the consideration of the needs of all learners. Our curriculum is exciting and will inspire children to nurture a passion for learning.
