

Science Curriculum Overview

	AUTUMN		SPRING		SUMMER	
YEAR 1	Plants	Season	Animals inc humans	About Me: Senses	Exploring everyday Materials	Uses of everyday materials
YEAR 2	Animals inc humans- Diet and Health	Animals inc humans- Growth	Everyday materials	All living things and their habitats- around the world	All living things and their habitats	Plants- growth
YEAR 3	Forces and magnets	Rocks	Light- reflection	Animals inc humans- health and skeletons	Plants- exploring the world of Plants	Plants- Life cycles
YEAR 4	Electricity- simple circuits	States of matter	Animals inc humans- Food and digestions	All living things- classification	All living things and their habitats- Nature and the environment	Sound
YEAR 5	All living things- life cycles	Changes of Materials	Properties of materials	Forces	Earth and Space	Animals inc humans- Growth of Humans
YEAR 6	Evolution and Inheritance	Electricity- Changing circuits	Animals inc humans- Circulatory system.	Light- how we see things	Living things and their habitats.
